Management's Responsibility for the Consolidated Financial Statements

The accompanying consolidated financial statements of Kingston and Frontenac Housing Corporation (the "Corporation") are the responsibility of the Corporation's management and have been prepared in compliance with legislation, and in accordance with generally accepted accounting principles for local governments established by the Public Sector Accounting Board of The Canadian Institute of Chartered Accountants. A summary of the significant accounting policies are described in Note 1 to the consolidated financial statements. The preparation of financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

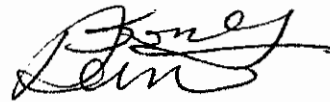

The Corporation's management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the consolidated financial statements. These systems are monitored and evaluated by management.

The Board of Directors meets with management and the external auditors to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the consolidated financial statements.

The consolidated financial statements have been audited by KPMG LLP, independent external auditors appointed by the Corporation. The accompanying Auditors' Report outlines their responsibilities, the scope of their examination and their opinion on the Corporation's consolidated financial statements.

AUDITORS' REPORT

To the Members of Council,
Inhabitants and Ratepayers of
Kingston and Frontenac Housing Corporation

We have audited the consolidated statement of financial position of Kingston and Frontenac Housing Corporation (the "Corporation") as at December 31, 2009 and the consolidated statements of operations and accumulated surplus, change in net financial assets and cash flows for the year then ended. These financial statements are the responsibility of the Corporation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these consolidated financial statements present fairly, in all material respects, the financial position of the Corporation as at December 31, 2009 and the results of its operations and changes in net assets and changes in cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

KINGSTON & FRONTENAC HOUSING CORPORATION

Notes to Financial Statements

Year ended December 31, 2009

Kingston & Frontenac Housing Corporation was incorporated under the Corporations Act of Ontario on December 14, 2000. Its principal activity is the provision of socially-assisted housing.

These financial statements present the financial position and results of operation of Kingston & Frontenac Housing Corporation, which is a non-profit organization under the Income Tax Act and exempt from income taxes, provided certain requirements of the Income Tax Act are met.

1. Significant accounting policies:

These financial statements have been prepared by management in accordance with Canadian generally accepted accounting principles for governments as recommended by the Public Sector Accounting Board ("PSAB") of the Canadian Institute of Chartered Accountants. Significant accounting policies adopted by Kingston & Frontenac Housing Corporation are as follows:

(a) Basis of accounting:

The Corporation follows the accrual method of accounting for revenue and expenses. Revenues are normally recognized in the year in which they are earned and measurable. Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and/or the creation of a legal obligation to pay.

(b) Funding arrangements:

Kingston & Frontenac Housing Corporation rent geared to income program is funded primarily by the Corporation of the City of Kingston as Consolidated Municipal Service Manager ("CMSM"), in accordance with budget arrangements formerly established by Ministry of Municipal Affairs and Housing and the Corporation of the City of Kingston. These financial statements reflect agreed arrangements approved by the Corporation of the City of Kingston with respect to the year ended December 31, 2009.

(c) Municipal rent geared to income program subsidy revenue:

The rent geared to income program operating subsidy is recognized based on the approved fiscal allocation by the Service Manager, and adjusted for estimated recoveries based on actual expenditures incurred during the year. Subsidies may be adjusted by the Service Manager based on an annual reconciliation performed subsequent to year end. Any further adjustments will be recorded in the year of Service Manager approval.

KINGSTON & FRONTENAC HOUSING CORPORATION

Notes to Financial Statements (continued)

Year ended December 31, 2009

1. Significant accounting policies (continued):

(d) Long-term investments:

Long-term investments are designated as held-for-trading and are recorded at their fair value. Realized investment income and unrealized gains or losses from the change in fair value are recorded in the capital reserve fund. Fair value is determined at quoted market prices. Transaction costs related to the acquisition of marketable securities are recorded as a reduction of investment income.

(e) Use of estimates:

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenditure during the period. Significant estimates include the amount of Municipal rent geared to income program subsidiary revenue earned. In addition, the Corporation's implementation of the Public Sector Accounting Handbook PS3150 has required management to make estimates of historical cost and useful lives of tangible capital assets. Actual results could differ from those estimates. These estimates are reviewed annually and as adjustments become necessary, they are recognized in the financial statements, in the period in which they become known.

(f) Non-financial assets:

Non financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

(i) Tangible capital assets:

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets, excluding land and landfill sites, are amortized on a straight-line basis over their estimated useful lives as follows:

	Useful Life - Years
Land improvements	30
Buildings and building improvements	40

Annual amortization is charged in the year of acquisition and in the year of disposal. Assets under construction are not amortized until the asset is available for productive use.

KINGSTON & FRONTENAC HOUSING CORPORATION

Notes to Financial Statements (continued)

Year ended December 31, 2009

1. Significant accounting policies (continued):

(f) Non-financial assets (continued):

(ii) Contributions of tangible capital assets:

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and also are recorded as revenue.

2. Change in accounting policies:

Kingston & Frontenac Housing Corporation has implemented Public Sector Accounting Board ("PSAB") Sections 1200, *Financial Statement Presentation* and 3150, *Tangible Capital Assets*. Section 1200 establishes general reporting principles and standards for the disclosure of information in government financial statements. Section 3150 requires governments to record and amortize their tangible capital assets in their financial statements. In prior years, tangible capital asset additions were expensed in the year of acquisition or construction.

Methods used for determining the cost of each major category of tangible capital assets

The financial information recorded includes the actual or estimated historical cost of the tangible capital assets. When historical cost records were not available, other methods were used to estimate the costs and accumulated amortization of the assets. The Corporation applied a consistent method of estimating the replacement or reproduction cost of the tangible capital assets for which it did not have historical cost records, except in circumstances where it could be demonstrated that a different method would provide a more accurate estimate of the cost of a particular type of tangible capital asset. After defining replacement or reproduction cost, the Non-Residential Building Consumer Price Index ("NRBCPI") was used as a resource for determining appropriate indices in order to deflate the replacement or reproduction cost to an estimated historical cost at the year of acquisition.

This change has been applied retroactively and prior periods have been restated. This change in accounting policy has changed amounts reported in the prior period as follows:

Accumulated surplus at January 1, 2008:	
Shares	\$ 10

The mortgage is secured by the following:

- (i) a first charge on the lands and all real and immoveable property located thereon;
- (ii) a first general assignment of leases and rents; and
- (iii) a first general security agreement.

KINGSTON & FRONTENAC HOUSING CORPORATION

Notes to Financial Statements (continued)

Year ended December 31, 2009

5. Rent geared to income capital reserve fund:

In compliance with the Social Housing Reform Act, 2000 ("SHRA") section 93(1), a capital reserve fund is maintained for the purpose of funding major asset repairs and replacement and amounts are allocated to it as provided for in the Corporation's budget. The capital reserve fund cash balances are designated from cash balances available for current operations and interest earned on these funds and on reserve fund investments are returned to the capital reserve fund.

Cash and cash equivalents and long-term investments in the amount of \$1,059,846 (2008 - \$953,538) have been designated to support the rent geared to income capital reserve fund.

6. Affordable housing program reserve fund:

Under the terms of the National Housing Act ("NHA") insured mortgage loan to the Corporation, a capital replacement reserve fund was established to ensure funds are available to carry out capital replacements for the affordable housing project. An amount of at least 2.65% of the actual effective annual gross income of the affordable housing component is to be deposited in a segregated bank account identified for its intended purpose. Other transfers from the affordable housing program will be completed upon approval of the Board of Directors.

KINGSTON & FRONTENAC HOUSING CORPORATION

Notes to Financial Statements (continued)

Year ended December 31, 2009

7. Municipal subsidy payable/receivable:

Municipal subsidy revenue is subject to review by the Service Manager after the financial statements and annual reporting requirements have been submitted for the year, however, an estimate of subsidy to be recovered/paid is reported as a payable to/receivable from the Service Manager at year end based on actual expenditures incurred during the year.

Revenues, municipal subsidy receivable/payable and operating surplus may change depending upon final review and approval by the Service Manager. Any additional year end adjustment resulting from this review will be reflected in the year of Service Manager approval.

An amount payable to the Corporation of the City of Kingston of \$133,296 (2008 – amount receivable of \$117,332) has been reported on the statement of financial position with respect to an estimate of the subsidy revenue to be paid by the CMSM as follows:

	Operating	Rent Supplement	2009	2008

	\$ (511)	\$ 133,805	\$ 133,294	\$ 117,332

8. Budget figures:

The Corporation reviews the operating and capital budgets annually. The budget figures are reflected in the statement of operations and have not been audited and are provided for information purposes only.

Amortization, based on the implementation of tangible capital assets, was not contemplated on development of the budget and, as such, has not been included.

9. Pension agreements:

The Corporation makes contributions to the Ontario Municipal Employees Retirement Fund (OMERS) which is a multi-employer plan, on behalf of 19 members of its staff. The plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay.

KINGSTON & FRONTENAC HOUSING CORPORATION

Notes to Financial Statements (continued)

Year ended December 31, 2009

9. Pension agreements (continued):

The amount contributed to OMERS for 2009 was \$66,405 (2008 - \$69,000) for current service and is included as an expenditure on the statement of revenue, expenditure and surplus (deficit).

10. Contingent liabilities:

(a) The nature of the Corporation's activities is such that there may be litigation pending or in prospect at any time. With respect to claims as at December 31, 2009, management believes that the Corporation has valid defenses and appropriate insurance coverage in place. In the opinion of management, the aggregate amount of any potential liability is not expected to have a material effect on the Corporation's financial position.

(b) The Corporation was legislated to undertake a pay equity review in 2006. This review was settled during 2008. During 2008, the settlement amounts have been provided for in the Statements of Revenue, Expenditure and Surplus and Financial Position.

11. Fair value of financial instruments:

The carrying values of cash and cash equivalents, rents receivable, other receivables, accounts payable and accrued liabilities, accrued payroll and employee benefits and payable to the Corporation of the City of Kingston approximate their fair values due to the expected short term maturity of these instruments.

The carrying value of long-term investments approximates their fair value.

The fair value of amounts payable to the Corporation of the City of Kingston cannot be determined in the absence of current market comparables due to the non-arms' length nature of the arrangement.

The fair value of the long-term debt cannot be determined due to the special nature of the underlying security and the absence of market comparables.

KINGSTON & FRONTENAC HOUSING CORPORATION

Notes to Financial Statements (continued)

Year ended December 31, 2009

12. Tangible capital assets:

(a) Assets under construction:

Assets under construction having a value of \$210,830 (2008 - \$Nil) have not been amortized. Amortization of these assets will commence when the asset is put into service.

(b) Tangible capital assets disclosed at nominal values:

Where an estimate of fair value could not be made, the tangible capital asset was recognized at a nominal value. Land is the only category where nominal values were assigned.
